¹Mathematica (2 hr beyond College Algebra). Take MATH 102 (2 hr) or 104 (3 hr) plus a statistic course (STAT 218, 3 hr) or MATH 106 (5 hr).

²Communication Elective (6 hr): Oral Communications (3hr); COMM 109, 209, 212, 311, JGEN 300... Written Communications (3hr): ENGL 150, 151, JGEN 200... Communications and Interpersonal Skills (3hr): ENGL 150, 151, ALEC 102, 305, COMM 109, 209, 212, 311, JGEN 120, 200, 300. *One course may not count under multiple Communication Categories.

³Humanities and Social Sciences (18 hr): Select courses from the following five CASNR essential studies categories: Area C: Human Behavior, Culture and Social Organization (6 hr); select ECON 211 (3 hr) and ECON 212 or AECN 141 (3 hr); Area E: Historical Studies (3 hr); Area F: Humanities (3 hr); Area G: Arts (3 hr); Area H: Race, Ethnicity and Gender (3 hr).

⁴Experiential Learning in Animal Science (4 hr): Maximum of 3 hr from any one of the following six sections: (1) Internship and Industry Experience; (2) Animal and Meat Evaluation Experience; (3) Study Tours; (4) Extension Experience; (5) Research Experience; and (6) Teaching Experience. (See Adviser)

⁵Business Electives (12-13): Select a minimum of four courses representing three of the following four categories: (1) Finance; (2) Management; (3) Marketing; and (4) Law. Students considering a minor in Agribusiness or Agricultural Economics should consider taking business electives from the AECN department in order to fulfill minor requirements.

(See UNL Bulletin for listing of specific courses)

⁶Chemistry (8-12 hr): Select from either of the following two chemistry series. Chemistry Series I does not provide adequate preparation for advanced chemistry courses or graduate school. If you desire advanced training in Chemistry, Series II is recommended.

Series I: CHEM 105 (4 hr) and CHEM 106 (4 hr).

Series II: CHEM 109 (4 hr), CHEM 110 (4 hr) and CHEM 251 & 253 (4 hr).

NOTE

Integrative Studies (IS courses): Students must take at least ten IS courses. At least one IS course at the 200 level, one at the 300 level, and one at the 400 level must be taken. Students can take IS courses from any department or college, including their major, but only three IS courses can be used from a single department.

International Focus Course: One three-credit hour course with an international focus is required. Certain international affairs courses can also be used to fulfill a humanities and social science category. (See Adviser)

Minor in Animal Science: For a minor through the college or Animal Science, a student must complete either 18 credit hours in the minor area of study with at least 6 hours at or above the 300-level of courses OR complete 12 credit hours all above the 300-level.
